Alexander McQueen was one of the most influential and innovative fashion designers of all time. His work was often controversial and provocative, but it always pushed the boundaries of fashion and made a lasting impact on the industry. McQueen's tragic death in 2010 cut short a brilliant career, but his legacy continues to inspire and influence fashion designers today.

*Alexander McQueen: Blood Beneath the Skin* is a captivating and in-depth look at the life and work of this legendary designer. The book is written by Andrew Wilson, a fashion journalist who had unprecedented access to McQueen's family, friends, and colleagues. Wilson's book provides a rare and intimate glimpse into the mind of a creative genius.

*Blood Beneath the Skin* traces McQueen's journey from his humble beginnings in East London to his rise to the top of the fashion world. The

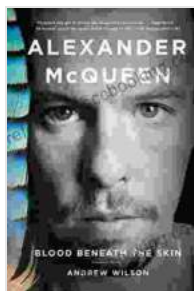

book explores McQueen's unique creative process, his influences, and his relationships with the people who knew him best. Wilson also provides a candid account of McQueen's struggles with addiction and depression.

*Alexander McQueen: Blood Beneath the Skin* is a must-read for anyone interested in fashion, biography, or art. It is a beautifully written and illustrated book that offers a unique and revealing portrait of one of the most influential fashion designers of all time.

Here are some of the key features of the book:

- Unprecedented access to McQueen's family, friends, and colleagues
- A rare and intimate glimpse into the mind of a creative genius
- A candid account of McQueen's struggles with addiction and depression
- Beautifully written and illustrated
- A must-read for anyone interested in fashion, biography, or art

*Alexander McQueen: Blood Beneath the Skin* is available now from all major booksellers.
