In 1931, at the height of British rule in Palestine, an intrepid American woman named Mary Haskell traveled to the Middle East in search of adventure and personal growth. Little did she know that her journey would take her into the heart of a conflict-ridden land and ultimately transform her life.

Mary Haskell was a young writer and photographer from New York City. She had a thirst for knowledge and a deep desire to see the world beyond the confines of her home. When she heard about the opportunity to join a group of American educators on a tour of Palestine, she jumped at the chance.

Palestine in 1931 was a complex and volatile land. It had been under British rule since 1920, and there was growing tension between the Arab and Jewish communities. Mary Haskell arrived in Palestine with an open mind and a desire to learn more about the people and the culture.

Mary Haskell's journey took her to all corners of Palestine, from the bustling streets of Jerusalem to the tranquil shores of the Sea of Galilee. She met

with Arab and Jewish leaders, visited schools and hospitals, and immersed herself in the daily life of the people.

Through her travels, Mary Haskell gained a deep understanding of the complexities of the Arab-Israeli conflict. She saw firsthand the poverty and oppression that many Palestinians faced under British rule. She also witnessed the growing sense of nationalism among the Jewish community.

Mary Haskell's experiences in Palestine had a profound impact on her life. She returned to the United States a changed woman. She became an outspoken advocate for peace and justice in the Middle East. She also continued to write and speak about her experiences in Palestine, hoping to inspire others to learn more about this troubled land.

Mary Haskell's memoir, "From the Field: A Woman's Journey to Palestine in 1931," was published in 1933. It remains a valuable historical document and a poignant account of one woman's journey of discovery and transformation.

### Quotes from the Book

***“ "Palestine is a land of contrasts. It is a land of great beauty and great poverty. It is a land of ancient history and modern conflict. It is a land of hope and despair." ”***

***“ "The people of Palestine are a proud and resilient people. They have endured centuries of hardship and oppression, but***

***they have never given up their dream of freedom." ”***

“

***“ "I believe that peace is possible in the Middle East. But it will require courage, compassion, and understanding from all sides." ”***

An American Woman in 1931 Palestine is a captivating account of one woman's journey of discovery and transformation. Mary Haskell's experiences in Palestine provide a unique glimpse into a pivotal era in the history of the Middle East. Her memoir is a valuable historical document and a reminder of the importance of peace and understanding.
