

Andrew Marshall and the Shaping of Modern American Defense Strategy

Andrew Marshall is one of the most influential figures in American defense strategy. As the Pentagon's chief strategist from 1993 to 2001, he played a key role in shaping the Clinton administration's defense policy, including the development of the Quadrennial Defense Review (QDR). He also served as the first director of the Office of Net Assessment (ONA), a Pentagon think tank that provides long-term strategic analysis to the Secretary of Defense.
