

Aurora End: The Epic Conclusion to Amie Kaufman and Jay Kristoff's Aurora Cycle

Aurora End is the highly anticipated to the *Aurora Cycle*, a thrilling space opera series by Amie Kaufman and Jay Kristoff. This epic tale follows the journey of Aurora, a young woman who wakes up from cryosleep 190 years

after her spaceship was destroyed. With the help of a ragtag crew of misfits, Aurora must uncover the secrets of her past and find her place in a universe that has moved on without her.

Aurora End picks up right where *Aurora Rising* and *Aurora Burning* left off. Aurora and her crew are on the run from the tyrannical Squadron 312, who are determined to capture Aurora and use her unique abilities for their own evil purposes. As Aurora and her friends race across the galaxy, they must face their own demons and come to terms with the choices they have made.
