John's journey begins in California, where he grows up surfing and spending time in nature. After graduating from college, he travels to India, where he experiences a profound spiritual awakening. He then spends time in Australia, Indonesia, and other countries, before returning to the United States to share his insights with others.

Barefoot Surfer View of the Universe is a must-read for anyone who is seeking a deeper understanding of themselves and the world around them.

John's writing is clear, concise, and engaging, and his insights are both profound and practical. This book will help you to:

- Embrace the present moment
- Let go of fear
- Live a life in harmony with nature
- Discover your true self
- Find your purpose in life

If you are ready to embark on a journey of self-discovery and transformation, then Barefoot Surfer View of the Universe is the book for you.
