The book is divided into four chapters, each of which focuses on a different aspect of the city. The first chapter, "The City of Constantine," explores the early history of Constantinople, from its founding by Constantine the Great in 330 AD to its rise as the capital of the Byzantine Empire. The second chapter, "The City of Justinian," focuses on the reign of Justinian I, who oversaw the construction of many of the city's most famous landmarks, including the Hagia Sophia. The third chapter, "The City of the Crusaders," explores the period of the Crusades, when Constantinople was occupied by

Western European forces. The fourth chapter, "The City of the Ottomans," focuses on the Ottoman period, when Constantinople was the capital of the Ottoman Empire.

Warwick Goble's paintings are a perfect complement to the text, bringing the city to life in all its vibrant colors and textures. The paintings are full of detail, and they capture the essence of the city's different periods of history. Goble's work is truly a masterpiece, and it is sure to delight readers of all ages.

In addition to the paintings, the book also includes a number of essays by leading scholars on the history and culture of Constantinople. These essays provide a deeper understanding of the city's rich history and its importance in the development of Western civilization.

Constantinople Painted By Warwick Goble is a must-have for anyone interested in the history, art, or culture of Constantinople. It is a beautiful and informative book that will be treasured by readers for years to come.
