## About the Book

In her groundbreaking book, *Excuse Me While I Save the World*, Dr. Marie Forleo delivers a powerful and inspiring call to action for women to embrace their full potential and make a positive impact on the world.

Drawing on her own personal experiences as a successful entrepreneur, speaker, and philanthropist, Forleo offers a unique perspective on the challenges and opportunities that women face in today's world. She argues that women have the power to create a more just, equitable, and sustainable world, but only if they are willing to step outside of their comfort zones and take risks.

Forleo provides readers with a roadmap for personal and professional growth, offering practical advice on how to:

- Overcome self-doubt and limiting beliefs
- Develop a clear vision for your life and career
- Take action and make a difference in the world
- Build a support network of like-minded women

*Excuse Me While I Save the World* is more than just a self-help book. It is a manifesto for a new generation of women leaders who are ready to change the world. Forleo's message is clear: women have the power to make a difference, and it is time to start using it.
