

# First International Workshop IWAI 2024 Co-located with ECML PKDD 2024 Ghent

Artificial Intelligence (AI) is rapidly transforming industries, empowering businesses, and enhancing our daily lives. To foster collaboration, knowledge exchange, and innovation in this dynamic field, the First International Workshop on Intelligent and Explainable AI (IWAI 2024) will be held in Ghent, Belgium, co-located with the European Conference on Machine Learning and Principles and Practice of Knowledge Discovery in Databases (ECML PKDD 2024).

**Active Inference: First International Workshop, IWAI 2024, Co-located with ECML/PKDD 2024, Ghent, Belgium, September 14, 2024, Proceedings (Communications ... Computer and Information Science Book 1326)** by Alexander Smalls

## Scope and Objectives

IWAI 2024 aims to bring together researchers, practitioners, and industry experts to explore the latest advances and challenges in Intelligent and

Explainable AI. The workshop will focus on:

- Innovative approaches to AI model design and development
- Methods for explaining AI decision-making and predictions
- Trustworthy and responsible AI development
- Applications of AI in various domains, including healthcare, finance, and manufacturing

## **Keynotes and Invited Speakers**

IWAI 2024 will feature keynote presentations from leading experts in the field of AI. Confirmed speakers include:

- Professor Pedro Domingos, University of Washington
- Dr. Rebecca Willett, DeepMind
- Dr. Finale Doshi-Velez, Harvard University

## **Call for Papers**

Researchers and practitioners are invited to submit original and unpublished papers that address the themes of IWAI 2024. Submissions can be made in the following categories:

- Novel AI algorithms and models
- Explainable AI techniques
- Trustworthy and ethical AI development
- AI applications in real-world scenarios

The deadline for paper submission is **[insert date]**.

## **Program**

The IWAI 2024 program will include:

- Keynote presentations
- Paper presentations
- Panel discussions
- Interactive workshops
- Networking opportunities

The full program will be announced closer to the event date.

## **Location and Dates**

IWAI 2024 will be held at the Ghent University Campus in Ghent, Belgium, on **[insert dates]**. Ghent is a vibrant and historic city with a rich culture and a thriving research community.

## **Registration and Fees**

Registration for IWAI 2024 is now open. Early bird registration discounts are available until **[insert date]**. For registration fees and details, please visit the IWAI 2024 website.

## **Organizing Committee**

The IWAI 2024 Organizing Committee consists of leading researchers and industry experts in the field of AI. The committee is chaired by Professor **[insert chair name]** from **[insert institution]**.

## Contact

For inquiries or further information, please contact the IWAI 2024 Organizing Committee at [insert email address].

IWAI 2024 promises to be an exciting and thought-provoking event that will shape the future of AI. Join us in Ghent to explore the latest trends, network with experts, and contribute to the advancement of Intelligent and Explainable AI.
