Hitler and Churchill were both born into humble circumstances, but they rose to power through their charisma, their determination, and their ruthless ambition. Hitler became the leader of the Nazi Party in 1921, and he quickly transformed it into a powerful political force. Churchill entered politics in 1900, and he served in a variety of government positions before becoming Prime Minister of the United Kingdom in 1940.

Hitler and Churchill were both gifted orators, and they used their speeches to inspire their followers and to rally them to their cause. Hitler's speeches

were often filled with hatred and violence, while Churchill's speeches were typically more uplifting and hopeful. However, both men were able to use their words to great effect.

Hitler and Churchill were both also skilled military strategists. Hitler led Germany to victory in a number of early campaigns in World War II, but he ultimately lost the war due to his hubris and his refusal to listen to his generals. Churchill led the United Kingdom to victory in World War II, and he is widely regarded as one of the greatest military leaders in history.

Hitler and Churchill were both complex and controversial figures. They were both responsible for the deaths of millions of people, but they also both played a major role in shaping the 20th century. Roberts' book provides a valuable insight into the minds of these two men and their leadership styles.
