A Tale of Betrayal, Ambition, and the Corrupting Power of Politics

At the heart of the story is Congressman Michael Harris, a rising star in the Democratic Party. Driven by a deep-seated belief in the power of change, Harris sets out to make a difference in a world plagued by corruption. But

his idealism soon clashes with the harsh realities of politics, where alliances are fluid, and loyalty is a rare commodity.

As Harris navigates the treacherous waters of Washington D.C., he encounters a cast of unforgettable characters. There's the enigmatic President Hayes, a master manipulator who uses his charm to conceal a ruthless streak. The ambitious Senator Warren, a cunning politician willing to sacrifice anything to achieve his goals. And the enigmatic journalist Anna White, who relentlessly pursues the truth, even when it threatens to unravel the fabric of the political establishment.
