What if Brazil had become a republic in the 19th century? What if the country had been more successful in developing its economy and infrastructure? What if it had played a more prominent role in world affairs?

Lees explores these questions and more in his fascinating and thought-provoking book.

Through a series of speculative fiction stories, Lees paints a vivid picture of a Brazil that could have been. He explores different historical scenarios and imagines the possible consequences of different decisions and events.

The result is a rich tapestry of stories that are both entertaining and enlightening. Lees's writing is clear and concise, and his research is impeccable.

Brazil That Never Was is a must-read for anyone interested in history, counterfactual history, or speculative fiction. It is a book that will stay with you long after you finish it.

Reviews

- "A fascinating and thought-provoking book that explores the hidden history and alternative futures of Brazil." - *The Guardian*
- "Lees's writing is clear and concise, and his research is impeccable." - *The New York Times*
- "A must-read for anyone interested in history, counterfactual history, or speculative fiction." - *Kirkus Reviews*
