Kiwi Legends: Mountain Biking in New Zealand is a celebration of the country's mountain biking culture. The book features interviews with some of New Zealand's most iconic riders, including Steve Peat, Sam Blenkinsop, and Kashi Leuchs. It also includes stunning photography of the country's most beautiful trails.

Whether you're a seasoned pro or a complete beginner, *Kiwi Legends* is a must-read for anyone who loves mountain biking. The book is full of inspiration, advice, and stunning photography that will make you want to hop on your bike and hit the trails.

Meet the Kiwi Legends

The book features interviews with some of New Zealand's most iconic mountain bikers, including:

- **Steve Peat:** A multiple world champion and one of the most successful downhill racers of all time.
- **Sam Blenkinsop:** A former world champion and one of New Zealand's most successful cross-country racers.
- **Kashi Leuchs:** A freeride pioneer and one of the most stylish riders in the world.
- **Brook Macdonald:** A slopestyle and dirt jump specialist who has won multiple X Games medals.
- **Kelly McGarry:** A former world champion and one of New Zealand's most successful female mountain bikers.

These riders share their stories, their experiences, and their advice for aspiring mountain bikers. They talk about the challenges they've faced, the triumphs they've celebrated, and the reasons why they love mountain biking.

Explore New Zealand's Iconic Trails

New Zealand is home to some of the world's most iconic mountain biking trails, including:

- **The Old Ghost Road:** A 85-kilometer trail that winds through the stunningly beautiful Paparoa National Park.

- **The Timber Trail:** A 130-kilometer trail that traverses the Pureora Forest Park.
- **The Whakarewarewa Forest:** A world-renowned mountain biking destination with over 150 kilometers of trails.
- **The Coronet Peak Bike Park:** A downhill mountain biking mecca with over 40 kilometers of trails.
- **The Cardrona Alpine Resort:** A scenic mountain biking destination with over 30 kilometers of trails.

The book includes detailed descriptions of these trails, as well as maps and photos. It also provides information on the best time of year to ride each trail and what to expect along the way.

Discover the Stories Behind the Sport

Kiwi Legends is more than just a guidebook to New Zealand's mountain biking trails. It's also a celebration of the country's mountain biking culture. The book includes stories about the early days of mountain biking in New Zealand, the development of the country's trail network, and the riders who have made New Zealand a mountain biking mecca.

The book is full of inspiring stories that will make you want to get out and ride. It's a must-read for any mountain biker who loves adventure, scenery, and the challenge of the open trail.
