The Selma to Montgomery March: A Turning Point in the Civil Rights Movement

On March 7, 1965, civil rights activists set out from Selma, Alabama, on a march to Montgomery, the state capital. The march was organized to protest the racist system of voter suppression that prevented African Americans from exercising their right to vote. The marchers were met with violence by state troopers and local police, but they persevered, and their efforts helped to bring about the passage of the Voting Rights Act of 1965.

No Way But To Fight is a gripping account of the Selma to Montgomery march. The book is written by Dr. Charles E. Cobb, Jr., who was a participant in the march. Cobb provides a firsthand account of the events that unfolded, and he offers a powerful analysis of the march's significance.

No Way But To Fight is a must-read for anyone interested in the civil rights movement. The book is a testament to the courage and determination of the activists who fought for voting rights, and it is a reminder of the importance of continuing the fight for justice.

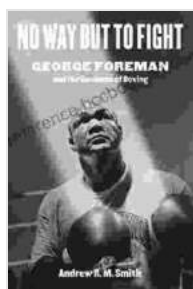

Reviews

"*No Way But To Fight* is a powerful and moving account of the Selma to Montgomery march. Charles Cobb provides a firsthand account of the events that unfolded, and he offers a powerful analysis of the march's significance. This book is a must-read for anyone interested in the civil rights movement." - **John Lewis, civil rights leader**

"*No Way But To Fight* is a gripping and inspiring account of the Selma to Montgomery march. Charles Cobb's firsthand account brings the events of that historic day to life. This book is a must-read for anyone who wants to understand the civil rights movement." - **Andrew Young, former mayor of Atlanta**
