About the Author

The author of Picking Winners Horseplayer Guide is a professional horseplayer with over 20 years of experience. He has won millions of dollars betting on horses and has helped countless others do the same.

The author's approach to handicapping is based on a combination of fundamental analysis and technical analysis. He uses a variety of factors to assess a horse's chances of winning, including the horse's past performances, the trainer's record, the jockey's record, and the track conditions.

The author is a strong believer in the importance of money management and bankroll management. He teaches his readers how to manage their money wisely and avoid the pitfalls that can lead to financial ruin.

The author's goal is to help his readers become successful horseplayers. He wants to teach them how to pick winners consistently and make a profit.

If you're serious about making money betting on horses, then Picking Winners Horseplayer Guide is the book for you.
