

The Algarve Dream: Stories of Expat Life in Portugal

An Anthology of Life Stories

The Algarve Dream is a collection of personal stories from expats who have made the move to Portugal's Algarve region. These stories offer a unique insight into the challenges and rewards of living abroad, and provide a valuable resource for anyone considering a similar move.

The Algarve is a popular destination for expats from all over the world, and for good reason. The region offers a beautiful climate, stunning beaches, and a relaxed way of life. However, there are also challenges to living abroad, such as culture shock, language barriers, and homesickness. The stories in this anthology provide an honest and sometimes humorous look at the realities of expat life in the Algarve.
