Synopsis:

Craig Kielburger was just 12 years old when he heard a news story that changed his life. A boy in India had been forced into slavery and had died trying to escape. Craig was horrified by what he heard, and he knew that he had to do something to help.

With the help of his brother Marc, Craig founded Free The Children, an organization that works to end child labor and exploitation. Over the years, Free The Children has helped millions of children around the world, and Craig has become a leading advocate for children's rights.

In this book, Craig tells the story of his life and his work with Free The Children. He shares his experiences with child labor, poverty, and injustice, and he offers a message of hope and inspiration for all who want to make a difference in the world.
