#### A Love that Defied Convention: Katherine and John of Gaunt

Katherine's fate became inextricably intertwined with John of Gaunt, the fourth son of King Edward III. Their love affair, which began in the 1370s, was a scandalous affair that challenged the norms of society. John of Gaunt was married to Blanche of Lancaster, but his affection for Katherine was undeniable.

Despite the public disapproval, Katherine and John of Gaunt lived together openly and had four children, known as the Beaufort children. Their relationship sparked controversy and raised questions about the legitimacy of their offspring.

#### Through Turbulent Times: Katherine's Role in English History

Katherine's life was marked by both triumph and tragedy. In 1396, following the death of Blanche of Lancaster, Katherine and John of Gaunt were finally able to marry. However, their happiness was short-lived, as John of Gaunt died just three years later.

Despite her loss, Katherine continued to play a significant role in English history. She was a trusted advisor to her stepson, Henry IV, and her Beaufort children became influential figures in their own right. Her legacy extended beyond her lifetime, with her descendants eventually ascending to the English throne as the Tudor dynasty.
