In this ultimate guide to cooking potatoes, we'll answer all of your questions and provide you with more than 100 easy and delicious potato recipes.

## How to Cook Potatoes

The first step to cooking potatoes is to choose the right type of potato. There are many different varieties of potatoes, each with its own unique

flavor and texture. For boiling and mashing, a starchy potato like a Russet potato is a good choice. For roasting and baking, a waxy potato like a Yukon Gold potato is a better option.

Once you've chosen your potatoes, it's time to cook them. Here are the basic steps for cooking potatoes:

1. Wash the potatoes thoroughly.
2. Cut the potatoes into the desired shape.
3. Place the potatoes in a pot of cold water.
4. Bring the water to a boil.
5. Reduce the heat to low and simmer the potatoes until they are tender.
6. Drain the potatoes and serve.

## **The Best Ways to Prepare Potatoes**

Once your potatoes are cooked, there are endless possibilities for how to prepare them. Here are a few of our favorite ways:

- **Boiled potatoes** are a simple and classic way to prepare potatoes. They can be served with butter, salt, and pepper, or with your favorite gravy.
