

Why They Fought: What Were They Fighting For?

A Groundbreaking Work of History

Why They Fought is a groundbreaking work of history that reveals the motivations of American soldiers during the Civil War. Based on the most extensive survey of Civil War soldiers ever undertaken, the book uncovers the complex reasons why these men fought, from their personal beliefs to the broader political and social forces that shaped their world.

Drawing on thousands of letters, diaries, and other firsthand accounts, author James McPherson paints a vivid portrait of the Civil War soldier. He shows us men who fought for a variety of reasons: to preserve the Union, to end slavery, to protect their homes and families, or simply to prove their manhood. McPherson also explores the role of ideology, religion, and race in shaping the soldiers' motivations.

Why They Fought is a must-read for anyone interested in the Civil War or American history. It is a powerful and moving account of the men who fought and died in one of the most consequential conflicts in American history.

Praise for Why They Fought

"A masterpiece of historical writing." —The New York Times

"A brilliant and essential work." —The Washington Post

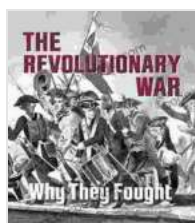

"A landmark study that will redefine our understanding of the Civil War." —
The Wall Street Journal

About the Author
