About the Book

"You Don't Want a Dragon" is a hilarious and heartwarming story about a boy named Billy who learns the hard way that dragons are not all they're cracked up to be. When Billy's parents go out for the evening, he's left in charge of his younger sister, Sarah. But when Sarah insists on bringing her pet dragon, Sparky, into the house, Billy's night takes a turn for the worse.

Sparky is a mischievous and destructive creature, and he quickly turns Billy's house into a disaster zone. Billy tries everything he can to get rid of Sparky, but the dragon always seems to outsmart him. Finally, Billy realizes that the only way to get rid of Sparky is to teach him a lesson.

With the help of his friends, Billy devises a plan to teach Sparky the meaning of responsibility. And in the end, Billy learns that even the most difficult creatures can be taught to behave.
